Barry and Gale joined the Coast Guard Auxiliary in 1993 and served for 21 years.

Barry served in a number of leadership positions including Vice Flotilla Commander, Flotilla Staff Officer for Operations and Vessel Exams. Barry was Coxswain qualified on both his own boat and the Safe Boat. He was a frequent instructor at our Boating Skills and Seamanship classes.

Gale Moore served as Flotilla Staff Officer-Treasurer and an Instructor in the Kids Don't Float program. She was also in the Operations program and was a crew qualified member on their Operational Facility and also on the Safe boat.

Both were active in the crew program. They offered their vessels the M/V "Three Eagles" and the M/V "Just Knapping" as Operational Facilities and crewed them while on Coast Guard Patrol on the waters of Prince William Sound.

Barry and Gale crewed the very first SAFE boat in Whittier known as Aux. Vessel 611. They were the first "SAFE boat crew" to tow a boat using the Aux. Vessel 611.
